

HauteVIEW™ 100 Body Worn Solution

We've Got You Covered!

HauteVIEW 100 Body Worn Camera is compatible with KlickFast Carrying System to provide a secure, easy to use, and comfort solution for our police officers.

Part# 100-BWC-Chest

This harness mounts the HauteVIEW100 on the chest using a KlickFast Mounting Dock. The BWC mounting position is fully adjustable.

Part# 100-BWC-Utility

Attaches to a 50mm Utility Belt via two KlickFast Docks and a loop. Allows HauteVIEW100 mounting on either side via Docks attached to the adjustable down straps.

Part# 100-BWC-Sam Browne

Attaches to a 50mm Utility Belt front and rear via two KlickFast Docks and incorporates a nylon shoulder strap with HauteVIEW 100 Sam Browne chest mounting Dock.

Part# 100-BWC-Center Chest

This harness mounts the HauteVIEW100 in the center of the chest using a KlickFast Mounting Dock and incorporates nylon straps that slip over the arms and shoulders.

Part# 100-BWC-GarmentMount

A easy to use "Screw-to-fit" to any existing garment. HauteVIEW100 mount with KlickFast connector to be docked securely. Slide the connector into any Cock to lock it securely in place, twist to the best position for comfort. To release, simply invert the case and lift out.
